The **New 71526KT** Hi-Lo shifter kit eliminates the weak points. Highest quality materials and improved design assure correct fit, excellent performance and extra long life!

1. Thicker material in the lever insures tight fit. Lever is clamped and pinned.
 2. Shaft is 1/4 longer for better grip.
 3. Detent plate is temperature hardened for long life.
- Fits: Late 66 Series All 86, 88

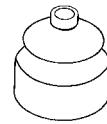

Improve the performance and eliminate linkage wear.
